

WELCOME TO OUR CATALOG

Faith, Family, and Craftsmanship

What began as a small Christian family business has grown into something truly special-thanks to strong values, a deep-rooted work ethic, and a shared passion for excellence.

Several members of our family have been involved since they were young teenagers, learning the craft from the ground up and gaining a hands-on appreciation for every step of the process. That same commitment continues to guide us today.

Our team is more than just employees-they're a hardworking group of individuals who genuinely care about the products we create and the people we serve. Their passion, skill, and attention to detail are what set our furniture apart.

We take pride in designing and manufacturing high quality outdoor furniture that blends durability, comfort, and timeless style. But we don't stop there. We're constantly inventing and refining new products, driven by creativity and a desire to meet the changing needs of our customers.

At the core of everything we do is our faith, which shapes our business practices, our relationships, and the quality of every piece we produce. When you choose our furniture, you're not just buying a product-you're supporting a legacy built on faith, family, and a passion for doing things the right way. Thank you!

Mendota Collection

Mendota Collection

If you're looking for timeless comfort with lasting craftsmanship, the Mendota Deep Seat Collection delivers in every detail. This collection includes a luxuriously deep-seat sofa, a cozy loveseat, and a smooth gliding swivel chair-all designed to bring elevated comfort to your outdoor space.

Each piece is built with mortise and tenon joinery-a technique used by master craftsmen for centuries. The frame also includes a half-blind dovetail for added strength. That means rock solid stability and a frame that's built to last-no shortcut, no compromises.

Whether you're hosting or just relaxing at home, the Mendota Collection is made to be lived in-and admired for years to come.
